ABOUT THE COLLEGE

Rajendra College was founded in 1938 in recognition of Deshratna Dr. Rajendra Prasad by prominent figures such as Babu Harihar Sharan, Chandradev Narayan, Dr. Sayed Mehmood, Dr. Sachidanand Sinha, Umanath Babu, Mahavir Prasad, and Bhuvaneshwar Prasad. The College was established on August 15th, the same day that India gained independence and Dr. Rajendra Prasad became the nation's first President. Over the years, the College has demonstrated steady progress and has achieved numerous academic milestones.

Today, our college provides education in 16 subjects across the faculties of Humanities, Commerce, Sciences, and Social Sciences at both Under Graduate and Post Graduate levels. We are proud to have been the first affiliated College under Patna University and to have retained this privilege. Our college is also the first in the state to offer education up to the Under Graduate level in Commerce. In 1967, we were recognized as a constituent unit of Bihar University, Muzaffarpur, which is now known as B. R. A. Bihar University, Muzaffarpur. Currently, we continue to operate as a distinguished constituent unit of Jai Prakash University, Chapra, which was established in 1992. We strive to maintain our high standards of education and to provide our students with the best possible learning experience.

The college provides numerous facilities for the benefit of its students, such as well-equipped smart classrooms, a library, sports grounds, separate common rooms for boys and girls, and many more. The college's various units, including NCC, NSS, Sehat Kendra, and Red Ribbon Club, are consistently working towards the holistic development of the students. It is a

matter of pride for the institution that its students have been making significant contributions to various fields in the country since its inception. The college's faculty and staff are always supportive of their students' academic and personal growth.

NAND LAL SINGH COLLEGE, JAITPUR-DAUDPUR (SARAN) 841205

**(A CONSTITUENT UNIT OF JAI PRAKASH
UNIVERSITY, CHAPRA)**

Website: www.nlscollege.ac.in

ABOUT THE COLLEGE

Nand Lal Singh College, Jaitpur-Daudpur (Saran) (a constituent coeducation unit / college of Jai Prakash University, Chapra-Bihar) is located near the Daudpur railway station and beside the national highway No-85 (now NH-531) at 25 km west of the small town of Chapra. The college has been consistently imparting general education on the doorsteps of rural youth to bring out more general graduates and post-graduates to meet the requirements of academia, society, and industries.

With the efforts and donations of the local higher education loving dignitaries, this institution came into existence on 1 June 1969 with the name JAITPUR-DAUDPUR COLLEGE. Later, Shri Nand Lal Singh provided a major uplift to this college and then it was named afresh as NAND LAL SINGH COLLEGE, JAITPUR- DAUDPUR (SARAN). The college became a constituent unit of the then Bihar University, Muzaffarpur in 1980 with recognition from the Government of Bihar to conduct Degree (Hons. and General) programmes in B.A. and B.Sc. and since 2020, PG in Political Science and Psychology. Due to the constant efforts of the successive principals and the current visionary incumbent, the college has grown to become a fully developed institution.

At present, the college has about 4000 students consisting of both boys and girls, with girls outnumbering boys in each programme. Thus, it portrays

a depiction of a rural girls' college in the socio-educationally backward western region of the Saran district of Bihar.

The sufficient land owned by the college has been used only for educational activities. It has planned the campus to maintain eco-friendly, and pollution free atmosphere. It ensures education to all with the constitutional, natural, and social justice systems.

The college is on the move towards academic excellence and students' satisfaction.

YADUNANDAN COLLEGE, DIGHWARA, SARAN

(A CONSTITUENT UNIT OF JAI PRAKASH
UNIVERSITY, CHAPRA)

Website: www.yncollege.ac.in

ABOUT THE COLLEGE

Yadunandan College, Dighwara, established in 1966, recognized under Sections 2 (f) and 12 (B) of the UGC Act 1956 is a premier constituent College of Jai Prakash University, Chapra. The College was established by the great philanthropist and visionary Late Yadunandan Singh with a pious motive to make quality education accessible for aspiring youths of the area without any discrimination based on socio-cultural-economic grounds. The vision was to make quality and affordable education accessible to the underprivileged and subaltern students of the region, which was not easily available. This institution started its journey from a small campus imparting Intermediate Education in the beginning. However, in 1967 the College was affiliated to the then Bihar University, Muzaffarpur to impart education up to Undergraduate Courses in Arts, Sciences and Humanities subjects.

Initially, it was a constituent unit of Bihar University, Muzaffarpur but in 1992 it became a constituent unit of the jai Prakash University, Chapra when this university was formed by the Bihar Government after being bifurcated from Bihar University, Muzaffarpur. The College has consistently demonstrated outstanding performance in academics, sports, and Co/extra-curricular activities.

It has a galaxy of faculties who are not only competent in teaching but also command a rare distinction in academic excellence. Despite certain limitations which are beyond the college domain like space constraints, proper playground, etc., our students have excelled in various sports streams at different levels. The NSS wing of this college has also proven its worth. At present teaching and research in faculties of Sciences, Social Sciences and Humanities, are available up to UG level.

ABOUT THE COLLEGE

In 1944, Shri Ghanshyam Das Birla came to Goreakothi High School. Shri Birla ji was impressed by the students, teachers, and parents of Goreakothi. He urged Narayan Babu that a college should be established here and encouraged Narayan Babu to open the college. In 1949, the first

Governor of Bihar, His Excellency Shri Madhav Shri Hariyan laid his foundation stone at Goreakothi. Addressing the people, Mr. Ane said, "Narayan Babu, this land of yours is worthy of opening not only a school, college but also a university." You move forward in this direction.

Situated in a remote rural area and in the lap of nature, this college has been established by Late Krishnakant Singh with the aim of giving concrete shape to the vision of his father Late Narayan Prasad Singh, a freedom fighter. It was inaugurated on Basant Panchami, January 21, 1972, by the lotus flowers of former Prime Minister of India, the famous Gandhian Late Morarji Bhai Ranchodji Desai. Shri Morarji Bhai Desai, while addressing the people at the unveiling ceremony of the statue of the deity Narayan Babu and the inauguration ceremony of the college, said, "You expect something from us, I have come to give something to you. The future of the country is bleak, because the worship of the individual When it increases, the society of the country becomes secondary and the wishes of the people become dark."

For the first time, affiliation was received from Bihar University up to I.A. and I.S.C. level in 1972-73. Since 1978, the college offers general and prestige level studies in the Faculty of Undergraduate Arts and Science. Also, postgraduate studies are being conducted in History and Political Science from the session 2009-11. As a result of the cooperation of all the qualified and dedicated teachers and staff, this college has become established in the front row of quality education centres in Siwan district. The college is moving ahead with success in the dream that late Narayan Babu had seen (to enlighten the students of Harijan, poor and backward classes with the light of education). Every year the session of all courses starts from the month of June.

Our hard-working Principal Prof. (Dr.) Pramendra Ranjan Singh is striving for the rapid development of the college and the result of his diligence is that the college is moving on the path of development after getting recognition from NAAC and is striving for Cycle-II of NAAC Accreditation.
